"Spreading the Gospel to "whosoever will" Call on the name of the Lord."

Hello and God bless you all,

I am excited, we are in a revival that God has promised for years, the enemy is angry and we must attack and go on the offense. God has given us power to step on him and not be stepped on. Please take that authority and lets take this generation for Jesus!

God has said so much this year as to this being the year of enlargement. There is a mighty shifting in the spiritual and the natural. Remember that what happens in the natural is a representation of the spirit and if we are called to a year of enlargement then there will be new prosperity. Not just financially but also in ministry and other areas. I am being blessed in being able to start new ministries and to bless others in theirs. To speak in the lives of friends and to see them grow in their ministries. As this is a year of shifting, please take the time to inspect your spiritual foundations for cracks and take care of it with Jesus.

God is opening the door for travel to Nigeria, Philippines, India, Kenya and Japan in the near future. Keep pressing forward, remember that we are in a great military and we are in a Spiritual war and with Jesus as our commanding Officer we are guaranteed victory. The prayer of Jabez has been on my heart for the last few months and that is what is happening in this ministry also. A simple prayer that asks God to enlarge our area of influence and our territory. God is enlarging the ministry beyond the borders that we have and I believe that for all of your ministries and lives also. Father I ask that all who receive this letter be blessed as they have at one time partnered with this ministry to see the lost come to know Jesus, expand their vision and influence. In Jesus name.

Thank you for your prayers and as always if there is a prayer request please let me know. I miss all of you very much.

In Jesus name

Rev. Jackson V. Plant
