"Spreading the Gospel to "whosoever will" Call on the name of the Lord."

Hello and God bless you all,

I want to start by saying Merry Christmas and a very Happy New Year.

I am excited, we are in a revival that God has promised for years, the enemy is angry and we must attack and go on the offense. I know I for one am tired at being on the defense and reacting at what the enemy does. God has given us power to step on him and not be stepped on. Please take that authority and lets take this generation for Jesus!

I want to share a testimony, I have learned a lot. In one year a lot can happen, it started out with loosing my father, then I got engaged. Then I was not engaged:) Then when I thought I was out of the woods I was involved in a high speed car accident that dislocated my right shoulder and broke my collar bone, I am healed now praise God. I was blessed to buy a house. Now I have been requested to conduct a bible study at NSA . God is really good, and I recently started my photography and design business, Plant Designz.

The ministry is also being blessed in opportunities, God is opening the door for travel to Nigeria, Philippines, India, Kenya and Japan in the near future. Keep pressing forward remember that we are in a great military and we are in a Spiritual war and with Jesus as our commanding Officer we are guaranteed victory. This year the enemy tried to take me out and he failed, it is no coincidence that we are getting ready to go into a year of enlargement, the prayer of Jabez has been on my heart for the last few months and that is what is happening in this ministry also. God is enlarging the ministry beyond the borders that we have and I believe that for all of your ministries and lives also.

Thank you for your prayers and as always if there is a prayer request please let me know. I miss all of you very much.

In Jesus name

Rev. Jackson V. Plant
