"Spreading the Gospel to "whosoever will" Call on the name of the Lord."

Hello and God bless you all,

I am excited, we are in a revival that God has promised for years, it is so awesome to be in another move of God! I have been so hungry for another move of God since I left Pensacola, 7 years ago.

This is the enlargement that God has been speaking about. Tonight we had a service that honored our Bishops 8th anniversary at the church then the Bishop shifted it to celebrating Jesus and what he has done and revival broke out. I noticed something was different with the praise and worship, I saw the fire in peoples eyes and the hunger for God just like when I was at Brownsville. Then the visiting preacher started to preach and it was amazing, the anointing that was there I felt like I was at Brownsville again. Then the Bishop came and told us that God was calling a revival and the pastor was invited back just like Brownsville. I am excited.

Saints this is just the beginning! I really believe this is the time that has been spoken of by Prophets from all over the world this year. That areas in the World are revival area and it will spread from there and The Ark is one of those churches. Please keep us in prayer and I pray that this comes your way also. Jesus is coming soon! Please be ready and make sure that all of the people that you are attached to is ready for the time is short.

Thank you for your prayers and as always if there is a prayer request please let me know. I miss all of you very much.

In Jesus name

Rev. Jackson V. Plant
