*"Spreading the Gospel to 'whosoever will' Call on the name of the Lord."*

We are in the middle of mighty shift in the Spirit. God is doing mighty works. This year there will be a lot of changes in the world. I am feeling that wars will get worse and things will look tougher. But we need to keep our chins up, this just means that Jesus is coming back very soon. That makes me excited.

Keep sowing in to Gods work. You cannot out give God. Ask yourself why are you working for money, if you are not giving to God or helping the less fortunate, then it is greed.

The bible study that I am teaching is really taking off, God is moving and I feel that it is starting to make a difference. Please keep this in prayer.

I am excited at the news from Erico, I am so happy that she is going to be ok. God is awesome!

God has answered a mighty prayer, I put in my request for retirement from the Navy and it has been approved by my Commanding Officer. I am planning to retire in May of 2008.

Thank you for your prayers and as always if there is a prayer request please let me know. I miss all of you very much.

In Jesus name
